Arts in Medicine calls for singers, musicians for new chorus

Arts in Medicine at Roper St. Francis Healthcare is growing! We're seeking vocalists with a heart to serve, a love for people and a desire to spread joy. The RSFH Teammate Chorus is being formed to help spread our mission of healing all people with compassion, faith and excellence through music and song.

Let us make a joyful noise together through song!

Any qualified RSFH volunteer with a great heart and voice to serve will be considered. The chorus will also need a pianist/organist, guitarist, bass player and percussionist.

Performances will be held three to four times a year with special performances for RSFH functions. To find out more about the audition process, please contact Tanya Middleton at tanya.middleton@rsfh.com.

We look forward to hearing from you!

Welcome New RSFH Volunteers

Bon Secours St. Francis Hospital: Welcome Kaylin Lewis, ED, and Emily and Wade Warren, pet therapy team.
